Someone has well said “*the best laid plans of mice and men often goes a naught*”. That’s the reason not to make your own plans, but to let the Lord do all your planning. I contracted Pneumonia at the end of December and the doctors said I needed three to four weeks to recuperate. We had a Seminar cancellation because of cancer treatment for a pastor’s wife, and that allowed us time to recuperate. I was scheduled for surgery on my nose January 6, but had to reschedule it for January 29<sup>th</sup> because of the Pneumonia. The Lord arranged and rearranged all of these events.

The third week I preached a revival at Open

Door Baptist Church in Nashville, AR. Bro. Wayne Murphy is the pastor and he and his wife Linda

were such a blessing to us. After Sunday several people did not come back, but those that attended got some real help. Please pray for this church as they seek to win the city of Nashville to the Lord. We drove to Little Rock, Arkansas on Thurs-

day, January 22, and flew to Detroit, Michigan to teach a Weekend

Soul-winning Seminar at Southside Baptist Tabernacle in Ypsilanti,

Michigan. Bro. Chris Wass is the pastor of this great church. We planned for 65 people and 80 came to the Seminar. We had every age group represented, with the most young people we have had in any Seminar. The lady in this picture was under conviction during the

sessions on Friday evening, and after the end of the sessions asked another lady from the church to help her, and got saved. What a blessing to hear her describe the work of the Holy Spirit in “getting her lost”, and the peace which flooded

her soul at salvation. Sunday morning and evening were special also. I had the opportunity to teach Sunday School and preach both services. God blessed in the invitations each time. Yes, it was cold in Michigan (18 degrees when we left), but we survived very well. We are still amazed at all the Lord is doing as we travel from city to city obeying the Lord in the work He has called us to do.

**Thank you** so much for praying for the work, for your encouragement to us, and for your giving that we might help churches to be concerned about a lost world without Jesus Christ. Please pray for us that we can personally lead many lost souls to the Lord as well.
